DOMINION LINOLEUM RUGS

mean cosy, comfortable rooms at less cost

MAKE your floors delightfully cool and comfortable this summer with genuine Dominion Linoleum Rugs. In the sun parlor, on the porch, in any room, these satiny, appropriate coverings look well and are economical.

These rugs are many a weary hour of scrubbing and sweeping—the occasional use of a damp mop is all that is required. Dominion Linoleum Rugs, easily laid, easily cared for and moderate in cost, mean freedom from dust and germs, an important health consideration. They need no tacking, cannot fray or ravel at the edges and wear with a durability that is remarkable.

Some prefer Linoleum by the yard. Dominion Linoleum may be had in an almost endless number of colorings and designs, a few of the popular patterns being reproduced below. Your local merchants will gladly display these for your inspection.

Look for the strong camel back when buying. All genuine Dominion Linoleum and Linoleum Rugs have it.

HOSIERY**

Mae Murray, famous movie star and dancer, whose evening demands for stylish, smart wearing apparel have given her a nation-wide reputation as one of the best dressed women on the screen, has placed her endorsement only for Real Silk Guaranteed Hosiery.

With Mae Murray, grace is undoubted. She demands shoes all else to silk hosiery—stretchless beauty and lasting fit. In Real Silk Guaranteed Hosiery she represents the new satisfaction of a silk stocking that fits the foot perfectly without the necessity of the extra under stocking.

ARTIST'S national reputation is a double-edged sword. While it offers artists an elevated status and a good income, it also is likely to result in a loss of privacy. In the case of Thomas, his fame has even kept the art of tape spinning from the marketplace in the United States. The tape spins are a mix of mathematics and aesthetics, and the artist's fame has kept others from the opportunity to practice or improve an already rare art.
